

Memorandum

To	Pennsylvania State Employees' Retirement System (SERS) Investment Committee
From	RVK, Inc. (RVK) and SERS' Investment Office
Subject	Public Benefit Plan Investment Manager Evaluation List
Date	June 10 2025

The following is the Defined Benefit Plan Investment Manager Evaluation List ("DB Evaluation List") as of March 31, 2025. The DB Evaluation List is compiled in conformance with the criteria established in the Investment Manager Monitoring Policy adopted by the Board on October 29, 2014, and amended on December 7, 2016, and May 5, 2022.

The placement of an investment manager on the DB Evaluation List does not automatically serve as evidence of a problem with the investment manager. The DB Evaluation List was developed to clearly communicate which investment managers have been identified as experiencing quantitative or qualitative pattern changes worthy of greater review by SERS' investment office and external investment consultants.

No managers were removed from the DB Evaluation List this quarter. Walter Scott & Partners was added to the DB Evaluation List this quarter due to underperformance which may be a trigger of watch list status. RVK and Staff will continue to monitor the investment managers
